

# 9<sup>th</sup> International Workshop on Plasma-Based Ion Implantation & Deposition

2<sup>nd</sup> – 6<sup>th</sup> Sept. 2007, Leipzig, Germany

## Conference Topics:

- Simulation and Modelling
- Plasma and Ion Sources
- Plasma Diagnostics
- Ion-Surface-Interaction
- Plasma Based Ion Implantation
- Plasma Based Ion Assisted Deposition
- Vacuum Arc & Hybrid Processes
- Surface Modification and Coatings
- Semiconductors, Biomaterials, Functional Coatings
- Characterisation of Surface Properties
- Industrial Application, Scaling Issues, Safety Considerations

**Abstract deadline:  
April 15th, 2007**
